VIEWS OF SAND SPRINGS GOLF COURSE

The Greater Scranton YMCA is more than just a building. It's more than a gym and a pool. It's more than classes. It's the heart of the Greater Scranton community. We provide everyone with the opportunity to be healthy and thrive, to connect with others, and contribute to a better community. We're a cause-driven nonprofit organization inclusive of men, women and children joined together by a shared commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility.

Our mission is to put Christian principles into practice through programs that build a healthy spirit, mind and body for all. Here, strengthening community is our cause. We provide essential services for low and moderate income individuals and families every day, as we turn no one away due to an inability to pay. Funds raised through the Keystone UNICO Charity Golf Tournament will support our financial assistance program, which provides funding for low-income children, adults and families from our community, allowing them to benefit from all our Y has to offer.

Keystone UNICO is a 501(C)(3) Not for Profit Organization
